Thank you for your past support of our work. Because of supportive businesses and families, we have been able to raise and pass back over \$ 1,000,000 during the last 11 years to our schools.

You helped us fund Band, Music, and Art programs at both campuses, purchase a Chromebook for every student to use, and install technology such as interactive Whiteboards through the campuses and a Plasma Cutter for the Ag Shop. This fall, we have provided over \$ 11,000 in new Teacher Grants, including a Sensory Table for Pre-K, a Welder and laptop for the Ag Shop, a Camera bundle for the Yearbook staff, and materials for the Learning Lab.

Unfortunately, we are the only school district in the area with property values triggering a recapture by the State of Texas (\$ 2,000,000 was recaptured this year). Despite the challenges, our District received “A” ratings! We are standing by to help provide programs and items that the District’s budget cannot provide.

Our Annual fundraiser, the **“Small School, Big Hearts Celebration” on Feb. 3rd** will include **dinner, catered for us again by the Rifle Hall Association, from 5-6 PM.** We will have a Silent Auction beginning the week before the Event, as well as a Live Auction at the Celebration.

Enclosed are the Event Sponsorship documents. Event Sponsorships are available at four levels, with perks for each. Your help at any level, or a donation of any kind, monetary or in-kind for our Auction, helps us continue our important work. Individual tickets will also be available for purchase at local schools and banks, and at Round Top Merchantile.

Please let us know if you have any questions. We look forward to seeing you on February 3rd!

Gratefully,

Ashley Bishop, Fundraiser Chair

Ruby McCullough, Board President, RT-C Education Foundation

Dr. Linda Patterson Executive Director, RT-C Education Foundation
